Stera-Sheen® Urn Clean- Directions for use

All-Purpose Brewing Equipment Cleaner

Glass, Stainless Steel, Plastic, China, Porcelain

DIRECTIONS FOR USE

FOR URNS, BREWERS AND AIRPOTS –

1. Drain and rinse reservoir.
2. Fill ½ full with hot water.
3. Add one packet to water.
4. Scrub with brush.
5. Flush clean with water.

FOR GLASS BOWLS/COFFEE POTS –

Same as above, but use ½ packet per cleaning.

FOR BREW BASKETS/BREWERS –

1. Sprinkle one packet of Urn Clean into brew basket.
2. Run brew cycle through brew basket into brewing vessel (pot, airpot, urn, etc.).
3. Brush clean and rinse brew basket at sink.
4. Dispense or pour half of hot cleaning solution into sink.
5. Brush clean as necessary.
6. Rinse with fresh water.
