Dear Mr. Hachinski:

Thank you for your May 2, 1989 letter and our telephone conversation on June 5, 1989 concerning a branding ink.

Your product Lenco Mach 1 is chemically acceptable for use as a branding ink for marking meat or poultry food product prepared under Federal inspection.

Acceptance of this substance by this Department is in no way to be construed as an endorsement of the substance or of any claims made for it.

If any change is made in the labeling information or formulation, the authorization for use in official establishments becomes void immediately.

Sincerely,

Ralph C. Hodge
