Dear Mr. Hadley:

The effectiveness test on your product LENCO SPOILED ROTTEN has been completed.

In accordance with section 325.13(a) of the Federal meat inspection regulations LENCO SPOILED ROTTEN is approved for denaturing carcasses, parts thereof, meat and meat food products (other than rendered animal fat), condemned for pathology and intended for disposal only as tankage in official establishments operating under the Federal meat and poultry inspection program.

This letter acts as continuing authorization for its use as a denaturant until it is listed in the publication "List of Proprietary Substances and Nonfood Compounds Authorized for use under USDA Inspection and Grading Programs." Your denaturant will be listed under Code 4A.

Sincerely,

*for Ken M. Wilson*
